

Lakewood Golf Resort
CREDIT CARD DISCLAIMER

Lakewood Golf Resort requires all players who wish to book a web enabled tee time to use a credit card. The card will be held on file and not billed unless the cardholder fails to comply fully with our cancellation policy. In the event that the group does not show for their booked tee time, or arrives with less than the specified number of players originally booked for, the card holder will be charged for the tee time and the number of players booked.
