

junior 2020 PROGRAM golf

The header features the text 'junior 2020 PROGRAM' in a large, green, distressed font, with 'golf' in a smaller, similar font below it. To the right of the text is an illustration of a young golfer in a red shirt and yellow pants, holding a golf club. Below the main text are three logos: a white golf ball with 'LAKEWOOD GOLF RESORT' written on it, the PGA Alberta logo (a red maple leaf and the text 'PGA ALBERTA'), and the CN Future Links logo (a red and yellow square with a white figure and the text 'CN FUTURE LINKS').

2020 JUNIOR PROGRAM

Our junior program is designed for players of all ages and abilities. Whether you are new to the game, would like to meet new friends, compete at a high level or just want to have fun, Lakewood Junior Program provides opportunities that will meet all of your needs.

Driven by the strong desire to assist in the development of our youth, Lakewood Golf Resort has created a safe, interactive, fun, educational, structured program and an atmosphere for children and teens of all ages to enjoy. **Today's youth are the leaders of tomorrow!** It is our responsibility to ensure they are ready to meet the challenge!

The game of golf and the tradition it was built on is instrumental in educating our children some of life's valuable lessons. Some of these lessons includes: **honesty, integrity, respect, dedication, goal setting, value of hard work, confidence** and **social skills** to name a few. It is my belief that this program will assist in developing these skills while creating a fun and dynamic atmosphere for our youth to grow in.

The success of any program relies heavily on its volunteer base and we are no different. The Lakewood executive committee are looking for volunteers to help assist in many ways from development to walkers and drivers. If you are interested in becoming involved in this program please call or email Scott Bergdahl.
